TEMPLATE PIPE DIAMETER

This template will allow you to calculate the diameter of your pipes. Afterwards, all you have to do is measure with a metre the number of CLIMATUBE® insulating tubes you need for each dimension.

Indicate in the chart what you need:

| Pipe Ø | Type | Number of meters |
|--------|------|------------------|
| 15 mm | 15 | |
| 18 mm | 18 | |
| 22 mm | 22 | |
| 28 mm | 28 | |
| 35 mm | 35 | |
| 42 mm | 42 | |
| 48 mm | 48 | |
