DE – Alle unsere Premium-Laminatfußböden haben sehr individuelle und einzigartige Planken. Für den Besten «Echt-holz-Effekt» empfehlen wir die Planken vor dem Verlegen anzuschauen und eine Vorauswahl zu treffen.

EN – All our premium laminates have very individual and distinctive planks. For best „real wood“ effect on complete floor area, planks should be preselected before laying.

FR – Tous nos sols stratifiés « Premium » sont exclusifs et uniques. Afin d'atteindre au mieux un effet « parquet bois » sur toute la surface du sol, les lames doivent être triées et sélectionnées avant la pose.

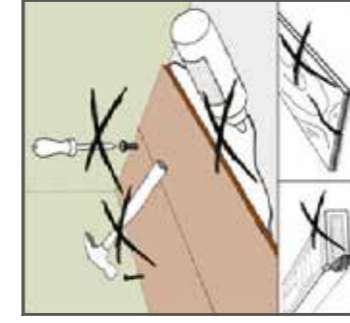

IT – Tutti i nostri laminati premium sono composti da doghe uniche e molto particolari. Per ottenere il miglior effetto „legno reale“ su un'area completa, i pannelli devono essere preselezionati prima della posa.

PT – A nossa gama de pavimentos premium é constituída por régua individuais e muito distintas. Para o melhor efeito de „madeira natural“ na área a instalar, as régua devem ser pré-selecionadas antes da instalação definitiva.

ES – Nuestra gama de suelos premium está constituída por tablas individuales y muy distintas. Para el mejor efecto de la „madera natural“ en el área a instalar, las tablas deben ser preseleccionadas antes de la instalación definitiva.
